1. Important Information

Section 72(t) of the Internal Revenue Code imposes a 10% penalty tax on premature distributions made from an IRA. A premature distribution is a distribution made to a recipient who is younger than age 59½.

72(t) allows for a number of exceptions under which the 10% penalty tax will not be imposed. Among those exceptions are distributions which are part of a series of "Substantially Equal Periodic Payments"(SEPP).

Several complex requirements must be observed in the establishment of a "Substantially Equal Periodic Payment" plan. IRS guidance indicates that "Substantially Equal Periodic Payments" must:

1. Be substantially equal as determined under section 72(t) of the Internal Revenue Code.
2. Be made **NO LESS FREQUENTLY THAN ANNUALLY**.
3. Be based on the life or life expectancy of the recipient.
4. Be calculated in a manner allowing for continuation of **PAYMENTS FOR THE DURATION** of the recipient's life expectancy under "reasonable" mortality assumptions for the life or life expectancy of the individual, or the joint lives or joint life expectancy of the individual and his/her designated beneficiary.
5. Be calculated in a manner which assumes **NO MORE THAN A "REASONABLE" LEVEL OF INTEREST OR INVESTMENT RETURN**.
6. No other withdrawals or deposits are allowed while this option is in effect.
7. Payments under this option may be subject to withdrawal charges, if applicable to the account. See the disclosure document for withdrawal charges, including Early Withdrawal Charges, that may apply.
8. Once the withdrawals have started, the Account Holder cannot make any additional contributions to the account.
9. Withdrawals must continue until the later of age 59½ or five full years from the date of the first payment. Any modification prior to age 59½ or five full years will be considered an election to stop this distribution under this option.
10. The Substantially Equal Periodic Payments will continue until the Account Holder discontinues the withdrawals or liquidates the account completely.
11. For most accounts, withdrawals are available through electronic funds transfer. If elected, all payments will be automatically deposited to your bank account and will be payable as specified on the next page. If selecting EFT, please complete the Electronic Funds Transfer section on page 2.

As a service to you, Sammons Retirement Solutions will perform calculations which will establish a schedule of periodic (monthly, quarterly, semi-annual, or annual) payments which are intended, **but not guaranteed**, to comply with the requirements identified above. If you would like Sammons Retirement Solutions to make these calculations for you, or if you provide the payment amount based on your own calculations, please read the following statements. If you agree with the statements, provide your signature in the space indicated and complete the remainder of the form.

I have consulted a tax or legal professional, pursuant to which I am requesting that calculations be made in order to establish a schedule of "Substantially Equal Periodic Payments," which will be paid to me as contemplated under section 72(t) of the Internal Revenue Code. In making this request, I understand and agree with the following statements.

- Sammons Retirement Solutions does not provide tax, investment, or legal advice. Please consult with and rely upon your own tax, investment, and legal professionals. Sammons Retirement Solutions makes no guarantees that any interest rate or mortality assumption will be viewed as "reasonable" by the Internal Revenue Service.
- Any failure to observe the requirements associated with Substantially Equal Periodic Payments will result in imposition of the 10% penalty tax on all payments previously received, plus interest.
- Sammons Retirement Solutions will not be held liable for any additional tax, interest, or penalties, or any damages or losses of any kind, direct or indirect, arising as a result of my election to take "Substantially Equal Periodic Payments."
- This election is in lieu of other payment and withdrawal options provided in the original agreement and will remain in force and in effect until written notice is provided to Sammons Retirement Solutions to change this election. As part of this election, no additional contributions can be made to this account.
- Distributions will be reported to the Internal Revenue Service as required.

Federal/State withholding instructions: Please indicate if Federal/State Income taxes should be withheld from your payment(s) by signing and dating this election form and returning it to Sammons Retirement Solutions. If you have any questions about your tax liability, please consult and rely upon your own tax and legal professionals. **Even if you elect NOT to have Federal/State Income taxes withheld, you are liable for Federal/State Income taxes on the taxable portion of your account value. If no election is made, a 10% federal income tax will be automatically withheld.**

I elect the following:

Federal: Do not withhold Withhold _____% or \$ _____

Important state tax withholding information: Certain states require us to withhold state income tax from your distribution. If you reside in a state that requires withholding, we will withhold state income tax in accordance with the respective state's rules.

Note: If no election is made, a 10% federal income tax will be automatically withheld.

6. Acknowledgment and Signature

I have reviewed the Guidelines for Automatic Substantially Equal Periodic Payments Under Internal Revenue Code Section 72(t). I elect to enroll in a Substantially Equal Periodic Payment Program and intend the periodic payments to satisfy the Internal Revenue Code requirements for exceptions to the premature distribution penalty. It is intended that these payments constitute distributions, which are part of a series of substantially equal periodic payments made over my life expectancy.

I understand that payments must continue until the later of five years or age 59½, and that any partial or systematic withdrawal(s) taken will reduce the actual earned interest amount.

I acknowledge and agree that Sammons Retirement Solutions is not certifying or implying that any distributions made pursuant to the Substantially Equal Periodic Payment Program satisfy IRS requirements for exception to the premature distribution penalty. I further acknowledge and agree that any taxes or penalties that may be imposed as a result of this distribution are exclusively my responsibility and Sammons Retirement Solutions has no liability for any such taxes or penalties whatsoever.

I accept responsibility for any taxes or penalties due as a result of changing this election.

Taxpayer Certification

Under penalties of perjury, my signature certifies that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me);
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding;
3. I am a U.S. citizen or U.S. resident alien; and
