Investing in mutual funds involves risk, including potential loss of investment. You should consider the fund’s investment objectives, risks, charges, and expenses carefully before investing. The prospectus and/or summary prospectus contain this and other information. You may contact your financial professional, visit srslivewell.com/prospectus, or call 866-747-3421 to obtain a current fund prospectus. Please read it carefully before investing.

Before making any rollover decisions, you must carefully consider all available retirement plan options including leaving the money in the current plan (which may be beneficial in certain circumstances), rolling the money to the new employer’s plan, installment and annuity payments (if available) and IRA rollovers. The key factors for the decision include: 1) investment options, 2) fees and expenses (including both investment options and account-related fees and expenses), 3) differing service levels available, 4) withdrawal penalties, 5) creditor and legal protections, 6) required minimum distributions, 7) employer stock, 8) income needs, and 9) tax impact and penalties. Tax consequences will vary and you should consult with a tax or legal professional.

You should also consider the expenses of the IRA program before investing. You must receive a fund prospectus and the LiveWell® Plus Mutual Fund IRA disclosure form before investing. IRAs are considered a long-term investment. Withdrawals from a Traditional or SEP-IRA are generally subject to income taxes, and if taken before age 59½, may be subject to an additional 10% IRS tax penalty. Withdrawals from a Roth IRA are generally not subject to income tax provided certain requirements are met. Information on Traditional, Roth, and SEP-IRAs is available in the LiveWell® Plus Mutual Fund IRA disclosure.
