### 3. Signatures

Upon death prior to the maturity date, any remaining interest in the Contract must be distributed in accordance with (a) the requirements of Internal Revenue Code section 72(s) or section 401(a)(9), whichever is applicable, (b) the terms of the Contract, and (c) to the extent that the payout of a Beneficiary's interest is restricted by this form, the payout option selected on this form and in effect. If no Beneficiary is alive when the death benefit becomes payable or the Beneficiary passes away while receiving distributions, payments will be made as provided by the Contract. If the death occurs after the annuity payments have started, the distribution restrictions specified in this form will be cancelled. If a Beneficiary is a minor at the time that a death benefit is payable, distributions will be made in accordance with applicable state laws. Fixed payout options will be those in effect when the required claim forms are received in good order.

I acknowledge that if Midland National® Life Insurance Company does not receive proper proof of death in sufficient time to begin the distribution option within the required period, Midland National will pay the required death benefit within the required five-year period. I also acknowledge that the Beneficiary is responsible for notifying Midland National if the conditions for which the distribution restrictions would end, have been met.
