**To the investor(s)**

As uncomfortable as the topic of death can be, it is an inevitable part of life. We can either leave our loved ones to continue without us, scrambling for proper next steps, or we can help prepare them. By completing this heir preparation packet you can provide your heirs with a comprehensive document containing vital information, contacts, and instructions.

**What's in it for you? This document:**

1. Confirms that you have proper documentation completed
2. Gives you peace of mind that your heirs will be prepared in case of emergency
3. Ensures your legacy is clearly defined for future generations

**What's in it for your loved ones?**

1. Clarity in a time of stress, confusion, and grief
2. Assurance they have what they need to follow your wishes

This final wishes and ethical will is organized in order of urgency to provide your survivors with clear instructions on how to proceed after an emergency. To simplify the moments after your death, discuss estate distribution instructions with a trusted advisor. Keep them updated on any changes throughout the years.
