2. Beneficiary change information

I hereby revoke all previous Beneficiary designations and change the Beneficiary(ies) according to sections four (4) through seven (7) of this form.

The new Beneficiary designations are

☐ Revocable ☐ Irrevocable (If no box is checked, the Beneficiary designation will be revocable):

- Irrevocable Beneficiary designations require the signature of all irrevocable Beneficiary(ies) in section eight (8). If you choose an irrevocable Beneficiary, written consent is required before any future changes can be made.
- If a Charitable Trust is listed as a Beneficiary the Certification of Charitable Trust (26742Y) must be attached.
- If this form is completed and signed by an attorney-in-fact, the Certificate of Power of Attorney form (19656Y) must accompany this form.
- In order to meet IRS requirements, if there are Joint Owners, death proceeds are payable upon the death of the first Owner. The death benefit proceeds will be payable to the Owner's Primary Beneficiary. If the surviving Owner is not the Owner's Primary Beneficiary, they will not be entitled to the proceeds upon the death of the first Owner.
- If there are Joint Annuitants, death proceeds are payable upon the death of the second Annuitant.
- For an Owner driven Contract, death proceeds are not payable upon the death of an Annuitant, therefore no Beneficiary designation is needed.
- This Beneficiary change request form meets the written notice requirement defined in the Annuity Contract.
- If you want to designate more Beneficiaries than this form allows, fill out the required information on a separate sheet of paper that is signed and dated according to section eight (8) of this form. Attach it to this form.
- Designate if you want the Beneficiary designation to be per stirpes or per capita. If an election is not made then by default it will be per capita. Per stirpes designations require a listing of the children on a separate sheet of paper that is signed and dated. The list must include the children's names, addresses, phone numbers, dates of birth, and social security numbers.
 - Per stirpes definition: A common way of distributing proceeds where if one or more Beneficiaries has died, his or her children share equally in his or her share of the proceeds.
 - Per capita definition: Proceeds are split amongst the Beneficiaries that survive the Owner/Annuitant. If one of the Beneficiaries does not survive the Owner/Annuitant than the remaining Beneficiaries receive the proceeds split equally.
- In order to make the requested change we require that the following information be provided: Beneficiary name, relationship code, and percentage of proceeds.
- In order to distribute future annuity proceeds accurately and according to your wishes, provide the current phone number, email, social security number, and address for each Beneficiary. If we do not receive all of this information, we will send a follow-up letter requesting the missing information.
